

EDUCATION & COACHING

Admissions, fees, batches and learning — on one
connected platform.

Transform Your Business with Intelligent Automation

● THE PROBLEM

Fees in a register, follow-ups in someone's memory.

1

Fees collected in cash, tracked by hand

Instalments and part-payments live in a register — dues get missed — manual entry gets 1.6–4% of records wrong.

2

Follow-ups depend on one person

When a counsellor forgets — or resigns — the enquiry and the admission walk out the door with them.

3

Nobody knows who really owes what

Pending fees, batches and attendance sit in scattered sheets, so collections leak every month — businesses lose ~5% of revenue to fraud and error (ACFE 2024).

You own it. For life. No per-user fees.

Lifetime Ownership

One-time license. You own the platform forever — no monthly rent, no lock-in.

Zero Per-User Fees
